## Scholarship Programs for Jain Students

Sponsored by  
The International Alumni  
Association of  
Shri Mahavira Jain Vidyalyaya  
(IAAMJV)

*"A hundred years from now, it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove but the world may be different because I was important in the life of a bright and needy student."*

## International Alumni Association of Shri Mahavira Jain Vidyalaya (IAAMJV)

IAAMJV is a non-profit and tax exempt organization that was founded in 1991. It currently has 750 members -many of them are the alumni students of Shri Mahavir Jain Vidyalay in India. It also has strong support of many education loving individuals from the larger Jain community. It is one of very few organizations outside of India, which has strong support to promote professional education in the Jain community.

The association offers three scholarship programs aimed at helping deserving students in the following categories: (1) Graduate students from India studying for master program in USA, (LSGI) (2) Undergraduate students residing in India (LSUI) and, (3) High School seniors/undergraduates residing in the United States (CEL). These scholarship opportunities are open to all Jain students, irrespective of their sect or region. All scholarships are in the form of interest free loan scholarships and are awarded with the expectation that they will be repaid once students have graduated. An overview of the programs follows below:

- A total loan scholarship of \$1,375,000 has been awarded to 596 students since 1993. Out of this, \$892,150 of loan has been repaid by the students.
- All awardees earned graduate degrees at US institutions.
- The awardees are required to return their loan scholarships and have done so in many cases, making more funds available for current and future needy students.
