Spring 2023

Jai Jinendra!

I hope this letter greets you and your family with the best of health and spirit. With the hard work of current committee members, fellow alumni, and supporters of IAAMJV, we had a successful year. As a president, I would first like to thank all the committee and alumni members for their continued support of this noble cause of education.

As we look forward to the coming year, we have some good news to share with you all.

Firstly, a Constitution committee was formed to review and update the existing constitution that was developed in 1991-92. A copy of the updated constitution is attached to this newsletter for your review. The constitution will be amended during the general body meeting.

Secondly, IT Team has updated the IAAMJV's website with a new look. The new website has added more features and made it more user-friendly. Please visit the website, iaamjv.org to see all the updates.

Additionally, an executive committee has increased the loan scholarship amount (awarded under the LSGI program) from \$4,000 to \$5,000 starting in Spring, 2023. 26 students were awarded the increased loan scholarship this spring.

Lastly, the construction of the Surat Girls Hostel (Surat Kanaya Chhatralya) has begun. The Surat team is tirelessly to inaugurate the hostel building in January 2024. The girls' admission is expected to start in March/April 2024. Please see the progress report of the Surat Girls Hostel along with other SMJV hostel projects on the following pages.

We invite IAAMJV members and alumni to attend our general body meeting to be held at Lakeland, FL during the JAINA Convention (June 30 to July 3, 2023). The meeting will be held on Saturday, July 1, 2023, between 4:00 PM to 6:00 PM. The room # for the meeting is yet to be assigned. Please confirm the location, date, and time of the meeting when you receive the program schedule at the convention registration desk.

IAAMJV holds an election of the executive committee every 2 years based on the constitution which usually coincides with our meeting at the JAINA convention. You can see the nomination form and details for the upcoming election for the executive committee (term: July 2023-July 2025) in this newsletter. The nomination committee requests you consider joining the executive committee to support and carry out the organization's activities.

With warmest regards,

Vasant Shah, President

A. Loan Scholarship for Graduate Study in USA for Indian Students coming from India (LSGI Program)

We have increased the loan scholarship amount to \$5000 starting in Spring, 2023. We budget to award loan scholarships to a total of 60 students each year spread between Fall & Spring semesters.

- **Gold Patron (GoP) Fund Donation for \$16,000 (Preferably \$20,000):** Under this scheme, every year (once per year, either in Fall or Spring Semester), a recipient (one eligible student from the list of applications received) is selected by the LSGI Committee based on set norms and approval process. At present, the loan scholarship amount is \$4,000. As possible, the donor is informed of the selection of the student and award or through the newsletter. The student may also be notified that an award is possible from the subject fund. The loan amount (repayment) is re-circulated in the fund for a future award. i.e. The award from the fund can be continued beyond 4 years (considering the loan amount as \$4,000), expecting that the first or any recipient repay his loan within a 4 to 6-year period.
- **LSGI Endowment Fund USA (EF USA) for \$50,000:** The interest from this fund is used for the award. This fund is operated similarly to the GoP fund except only interest is used to award the loan scholarship. At present, the loan scholarship amount is \$4,000. Under this scheme, every year (once per year, either in Fall or Spring Semester), a recipient (one eligible student from the list of applications received) is selected by the LSGI Committee based on set norms and approval process. As possible, the donor is informed of the selection of the student and award or through the newsletter. The student may also be notified that an award is possible from the subject fund. The repayment is merged with the General fund.
- **LSGI - Loan Scholarship from General Fund:** As required, the Loan scholarship is awarded from the general fund which is built up with the donation (any amount) received under the general fund.

B. Scholarship for Under Graduate Study in India for Indian Students (LSUI Program)

We award loan scholarships or scholarships (from Endowment Trust) of Rs. 15,000 to Rs. 25,000 to 40 to 80 students in India each year. The program is operated through IAAMJV Trust, Amdavad. We are trying to spread the message to the community to expand the program to benefit more students and also, to increase the award amount.

- **Endowment Fund India for \$5,000:** The interest from this fund is used for the award. A scholarship (and not a loan scholarship) of Rs. 25,000 is given every year to a student selected by the donor for his/her college study (generally 3 to 5 years duration, as applicable) based on set norms and approval process. The donor may select and recommend a name of a student. The student must submit his application to our Amdavad Office every year and then the donor has to inform the current President or Vice President of IAAMJV, USA with the student's name and other details. If the donor does not have any names to recommend, he may request to President / Vice President to select and award an eligible needy student from the list of applications received.

For this Endowment Fund India scheme, the donation is also accepted in India in Indian Rupees. For the same, a donation of Rs. 5,00,000 is required to open and activate each Endowment Fund. The applications/processing and other terms and conditions will remain the same as above.

C. College Education Loan Scholarship for Under Graduate Study in USA for US Students (CEL Program)

This loan is awarded to students enrolled in undergraduate or associate degree studies in any US institution. A strict selection criterion is applied to all CEL applications. Each loan amount is \$10,000 spread over 3-4 years. With tremendous support from the Jain Community of the USA, we aim to increase the number of CEL awards available. The recipient is selected by the CEL Committee based on a strict selection process.

CEL Fund for \$10,000: Under this scheme, once every year, in the Fall or Spring semester, for each CEL Fund, a scholarship grant is made to a qualified student. The recipient will receive \$5,000 in the first year, \$3,000 in the second year, and \$2,000 in the third year. Recipient students as well as donors' names are published in the IAAMJV newsletter. The loan amount (repayment) is recirculated in the fund for future awards generally after complete repayment.

C. Loan Scholarships to Students from India for Graduate Study in the USA (LSGI) - by Arvind Shah & Mahendra Shah

The LSGI Scholarship Committee has awarded Loan Scholarships to 26 students during the spring 2023 semester, each \$5,000 per student, totaling \$130,000. We are fortunate to award more students than average over the years. Also, we are very fortunate to increase to \$ 5,000/- from \$ 4,000/- in a short period. Since the inception (since the year 1993) of the LSGI program, we have disbursed a total of \$1,929,000 to 728 students.

Those who graduated are now working and doing very well. We are very fortunate to be in a position to help these students and see them prosper right in front of our eyes. The EC and LSGI committee & volunteers are aggressively working to contact students with outstanding loans. The loan recovery is excellent with a good response. However, we strongly request recipients who graduated before the year 2019 initiate and pay off their loans as early as possible.
