## March 2022

### Jai Jinendra!

I hope this letter greets you and your family with best of health and spirit. Most of us had to work from home and cancel our family trips due to COVID-19 pandemic in 2021. Recent decline in COVID-19 cases brings a hope that we can all try to get back to our normal lives.

Despite COVID-19 challenges, the hard work of current committee members, alumni and supporters of IAAMJV continued, giving us yet another successful year. Thank you all very much for all your generous support to this noble cause of education.

In 2006, we initiated efforts to establish a Girls Hostel in Surat but it did not go through. Now SMJV is building a Girls Hostel at Surat with a capacity of 138 Girls. The building will be built with providing modern facilities and technology, such as attached Bathroom/Toilet, Wi-Fi, Gym, Library, Recreation area and much more. Bhumi Poojan and Shilanyas Vidhi are already completed in presence of Acharya Guru Bhagvants. The construction is expected to start soon. It is a matter of our pride that many IAAMJV members, SMJV Alumni and supporters are very delighted and started donating for the project.

On a different note, we encourage all of you to provide us with your current email address so that we can send the newsletter electronically (go green). We encourage all IAAMJV members to be remain active with our association. If you would like, please do join the sub-committees, especially the young generations such as LSGI and CEL recipients to make our organization more streamlined and stronger. Please contact me or any of our committee members with your desire to join and discuss.

As you all know, we support the education in the Jain Community under three separate loan scholarship programs. Each of the programs is administered from different location. Updates of all programs are highlighted in the following pages.

With warmest regards,

Vasant Shah

President

### **Donations to all Education related Charities sent through IAAMJV** **Financial Update – by Vasant Shah and Hitesh C. Shah**

IAAMJV has been supporting transfer of donation amount to SMJV (Shri Mahavira Jain Vidyalaya) for quite some time however, such transfers have grown in last few years thereby increasing the workload on IAAMJV that includes fees charged by the bank for a transfer. The executive committee has decided to ask donors for an additional 2.5% (minimum) of donation amount of the actual donation. The additional amount will go to IAAMJV's general funds in supporting our scholarship programs. This change will be applicable to all education related charities.

### Note from Shri Mahavira Jain Vidyalaya (SMJV) – By Vasant Shah

Since 1915

#### SHRI MAHAVIRA JAIN VIDYALAYA - HOME AWAY FROM HOME

Serving Jain Students for Higher Education for the last 106 years with 12 Hostels in the state of Maharashtra, Gujarat and Rajasthan.

Engaged in the noble field of Education since 1915. Supports Jain Students with Interest Free Loan Scholarship for Higher Education in India and Abroad.

Vidyalaya aim at transforming new generation of Jain students into a highly educated, learned and literate generation.

It has built up the capacity to serve more than 1,600 students, 93% of its capacity duly utilized. In the process, till now, more than 30,000 students have passed under the roofs of Vidyalaya, who are much better equipped to face future challenges and many of them today occupy a very high position in their chosen field of life and are also in the forefront, in service to the community and the country.

Serving the Jain community and religion, through facilities for higher education, though being one of the main objectives was not the only one. Apart from running 12 branches, Vidyalaya continues giving financial assistance not only to the students studying in India but also abroad, including prizes for religious education. In the last 3 years, Vidyalaya has extended financial support to more than 1,000 students, amounting to **Rs. 13 crores** as Interest Free Loan.

#### THE ROAD TILL NOW:

Starting from a scratch, in a rented premises in 1915, Vidyalaya moved in its own building at Gowalia Tank (now under Re-development) in 1926. Reaching out of Mumbai, it established more branches, starting

from Ahmedabad Boys (1946), Pune Boys (1947), Vadodara Boys (1954), Vallabh Vidyanagar Boys (1964), Bhavnagar Boys (1970), Andheri Boys (1972), Ahmedabad K.C. (1994), Udaipur Boys (2001) Sandhurst Road, Mumbai Boys (2004), Vallabh Vidyanagar K.C. (2005), Pune K.C. (2006), and Vadodara K.C. (2017). Realizing tremendous need for more capacity in Mumbai, SMJV is trying hard to increase the capacity of Andheri Hostel. Even in the existing branches, Vidyalaya continued adding to its capacity by expansion and innovative planning.

### NEW PROJECTS ON THE CARDS:

- **Bhavnagar:** Since the current hostel building is very old, a new building with a capacity of 78 students (boys) and latest facility is being built. Plan / layout drawings are approved. Bhumi Poojan is completed. The construction is expected to start soon.
- **Pune:** A new boys hostel with a capacity of 393 students is being built.
- **Andheri Mumbai:** Andheri hostel is built in 1971. A new building for Boys and girls is being discussed and planned at the same place.
- **Surat Hostel Project:** Vidyalaya bought a 1602 yard plot in prominent area, God Dod Road of Surat to build a Girls hostel with a capacity of 138 Girls. BHUMI POOJAN and SHILANYAS VIDHI were completed on 18<sup>th</sup> February in the auspicious presence of Acharya GURU BHAGVANTS. The building plan were submitted to SMC for approval. The building construction is expected to start soon.

## B. Loan Scholarships to Undergraduates Students in India (LSUI)

The LSUI loan scholarship program started in 1993 for Jain boys and girls in India for pursuing undergraduate, graduate and special studies. We continue to receive large number of applications. Every year (around September), we award about 40 to 80 students depending upon number of applications received, and award them with the loan scholarships or scholarships ranging from Rs. 15,000 to Rs. 50,000, based on their merit and need. A total of Rs. 1.37 crores worth loan scholarships / scholarships are awarded to 952 students since 1993.

### **C. Loan Scholarships to Students from India for Graduate Study in USA (LSGI) - by Arvind Shah & Mahendra Shah**

The LSGI Scholarship Committee has awarded Loan Scholarships to 20 students in 2022 Spring Semester, each \$4,000 per student, totaling to \$80,000. Since the inception (since year 1993) of the LSGI program, we have disbursed a total of \$1,615,000 to 656 students.

We upgraded LSGI online application portal to make it easier and faster (user friendly) to complete the application by the student(s). Also, the Promissory note is simplified to get it signed and completed electronically using DocuSign software rather than doing it manually.

Those who graduated are now working and doing very well. We are very fortunate to be in position to help these students and see them prosper right in front of our eyes. The EC and LSGI committee & volunteers are aggressively working to contact students with outstanding loans. The loan recovery is excellent with good response.

The scholarship committee would like to thank to those who have paid the loan and strongly urge others to do the same. We are strongly urging our old (year 2001 to year 2015) awarded students to initiate and pay off their loan. This LSGI Loan program is highly dependent on our past bright student's payment within first 4-years of payment guideline. We humbly request who signed as references for LSGI recipient(s) to follow up the student whether the student has repaid his loan.

Furthermore, the committee would also, like to appreciate the effort and time spent by the entire EC/LSGI committee members to follow up the repayment activity due to which we were able to get considerable repayments. Thanks to all for their cooperation and support.

#### **Endowment Fund USA (EF USA) for LSGI**

Under this scheme, a donor can donate a minimum \$50,000 for LSGI for one student. Scholarship committee will designate a student under this fund from the application pool (a list scrutinized and prepared by the LSGI Scholarship Committee). Donor will be informed about the award. We have received a total of \$550,000 and established eleven (11) Endowment Funds – USA.

#### **Gold Patron Fund (GoP) for LSGI**

Under this scheme, a donor can donate a minimum of \$16,000 per fund. Scholarship committee will designate a student under this fund from the application pool (a list scrutinized and prepared by the LSGI Scholarship Committee). Donor will be informed about the award. When fund of \$16,000 is depleted, the award will be recycled after loans are repaid by the student.
