C. Loan Scholarships to Students from India for Graduate Study in USA (LSGI) – by Mahendra Shah and Arvind Shah

The LSGI Scholarship Committee has awarded Loan Scholarships to 28 students in 2021 Fall Semester, each \$4,000 per student, totaling to \$112,000. Also, we awarded to 12 students in 2021 Spring semester, each \$4,000, totaling to \$48,000. Therefore, we have awarded \$160,000/- during the year 2021. Since the inception (since year 1993) of the LSGI program, we have disbursed a total of \$1,535,000 to 636 students. We are very fortunate to increase a loan amount from \$2,000 to \$3,000 and recently to \$4,000/-per student.

We upgraded LSGI online application portal to make it easier and faster (user friendly) to complete the application by the student(s). Also, the Promissory note is simplified to get it signed and completed electronically using DocuSign software rather than doing it manually.

Those who graduated are now working and doing very well. We are very fortunate to be in position to help these students and see them prosper right in front of our eyes. The EC and LSGI committee & volunteers are aggressively working to contact students with outstanding loans. The loan recovery is excellent with good response.

The scholarship committee would like to thank to those who have paid the loan and strongly urge others to do the same. We are strongly urging our old (year 2001 to year 2015) awarded students to initiate and pay off their loan. This LSGI Loan program is highly dependent on our past bright student's payment within first 4-years of payment guideline. We humbly request who signed as references for LSGI recipient(s) to follow up the student whether the student has repaid his loan.

Furthermore, the committee would also, like to appreciate the effort and time spent by the entire EC/LSGI committee members to follow up the repayment activity due to which we were able to get considerable repayments. Thanks to all for their cooperation and support.

Endowment Fund USA (EF USA) for LSGI

Under this scheme, a donor can donate a minimum \$50,000 for LSGI for one student. Scholarship committee will designate a student under this fund from the application pool (a list scrutinized and prepared by the LSGI Scholarship Committee). Donor will be informed about the award. We have received a total of \$550,000 and established eleven (11) Endowment Funds – USA.

Gold Patron Fund (GoP) for LSGI

Under this scheme, a donor can donate a minimum of \$16,000 per fund. Scholarship committee will designate a student under this fund from the application pool (a list scrutinized and prepared by the LSGI Scholarship Committee). Donor will be informed about the award. When fund of \$16,000 is depleted, the award will be recycled after loans are repaid by the student.
